

GREEN HEALTHY SCHOOLS

NYC SCHOOLS ARE HEAVILY IMPACTED BY THE GROWING CLIMATE CRISIS.

Storms flood school hallways, wildfire smoke exacerbates asthma and other health problems, and record temperatures suffocate students in overcrowded classrooms. This is the daily reality of NYC public school students and staff. Mayor Adams' drastic cuts to the key City agencies threaten our City's path toward sustainable and resilient schools.

OUR PRO-WORKER, PRO-COMMUNITY SOLUTIONS

ELECTRIFY AND UPGRADE 500 PUBLIC SCHOOL BUILDINGS BY 2030

- MODERNIZE VENTILATION SYSTEMS
- REPLACE DILAPIDATED INFRASTRUCTURE
- PRIORITIZE ENVIRONMENTAL JUSTICE COMMUNITIES

ENSURE NYC'S DEPARTMENT OF EDUCATION REACHES ZERO EMISSIONS BY 2040

ENSURE KEY AGENCIES LIKE DCAS AND DOE ARE PROPERLY FUNDED

GREEN, HEALTHY SCHOOLS = HEALTHIER, STRONGER NYC

REDUCE AIR POLLUTION, IMPROVE VENTILATION, AND IMPROVE OVERALL HEALTH FOR STUDENTS AND WORKERS.

SAVE ON ENERGY COSTS

CREATE THOUSANDS OF GOOD, GREEN, UNION JOBS

ENHANCE STUDENT PERFORMANCE, ENGAGEMENT, AND ATTENDANCE

MAKE PROGRESS ON NYC'S CLIMATE GOALS AS MANDATED BY LOCAL LAW 97
